GET CLOSER WITH ECHOTWO!

Echo Arena is giving one of its most popular event layouts a new identity, as it launches the newly branded EchoTwo. The venue-within-a-venue has a capacity of up to 4000 and all we do is bring the stage half way up the arena floor making the atmosphere more intimate and bringing you closer to your favourite acts!

Look out for the EchoTwo logo on the website and on all Echo Arena posters and flyers to see what shows are in the EchoTwo layout.
